To Him Belongs the Dominion of heaven and earth. Unto Him we rely for forgiveness and mercies; and to protect us against our devilish heart desires and actions.

This is a book that comes with more information about Islam and I believe and hope that, reader will enjoy its contents without singling out even a page.

In Recent time things have become very confusing especially in the area where ignorance of Islamic knowledge has become prevalence, this topic has become the most popular music of our time affecting the Muslim especially the Youth. This book saves as a combat kit to all Muslim to be able to disjoint the limbs of any ignorance person who thinks to have master Jesus (pbuh) but rather he is the enemies to him.

Glory and praises be to Almighty Allah for his guidance and may His peace and Blessings be upon all the prophets (pbuh) and those who follow them until the end of time.

among us and politicians are very influential task forces on the earth just like the media, they can make you a human being today and tomorrow a monkey and the most beautiful thing God has done to which I appreciated most was that all of us will **die willingly or unwillingly**.

## THE GRAND CONCLUSION

If one read the verses below, you will notice that the word ONLY has been clearly emphasized here to distinguish from the statement Jesus mentioned in John 14:6 thus I am the way and the truth and the life, no one come or goes to the father except through me.

Mathew 4:10

Mathew 24:36

Luke 8:50

John 17:3

“I am the way” is not the same as” I am the (only) way “

“ I am the truth” is also different from statement” I am the (only) truth”

Except through me can be used based on the following reasons; Time bound, Distance, Language, Merits and Ability and on that score Noah was the way and the truth no one can board the ship without believing in him and he was the way to salvation at that time. In the time of Moses (pbuh) he was the way, the truth and the life and without him no salvation .Isaiah, Ezekiel, Solomon, David, Amos and others were all fit in the same category but the word ONLY WAS POSSIBLE BY VIRTUE OF; Time bound, Distance, Merits, Language and Ability and etc.

It only Allah (God) who’s ONLY goes beyond; Time bound, Distance, Merits, and Language for he is uncreated and has no end and there is none like him.

1Timothy 6:16.

his disciples and one of Jesus disciple saw them rehearsing among themselves that and one run to Jesus to teach them the same .

This religious ceremonial baptism was not a new thing but virtually practiced among all the prophets and all messengers of God so how come the historian and disciple Paul said the baptism of John was for only repentance. My humble question is that after Jesus had left two thousand years can any Christian tell me one different thing Christianity has offer to solved the problem of alcoholism, prostitution, gays, the populated women who has no husbands, theft, interest, the division of the church, abortion and other social vices after the promised of the holy spirit. There was one time when I was reasoning with a Christian brother called Seth at the ward in one afternoon shift and he said all was to fulfil biblical prophecies. Let reason logically, what is the need for us to be in a religion?

(1) To belief in God and worship him

(2) To depopulate the Kingdome of the Devil which result is to

(3) live harmoniously among ourselves to be able to make the world a better place for all of us.

Yes but if all these challenges are on increase within the boundaries where those religions is been practiced then has those religions failed or have succeeded? .Brother Seth all these religions have claimed to have answers for these challenges yet they have all failed because Islam is the only religion who has answers for these challenges and has been able to solve the majority of the above mention challenges. What about the wars in the Islamic territories? Asked by brother Seth , you know what, don't be confused with the wars we have been hearing in other part of the Islamic world , politicians are the causes of such inconveniences just as the other nations also go through and as we all know America in most often than not are the sole influential bait to underpin all these wars, kook at Libya, Iraq and many other places what America has done just to exercise their dominion over all these places but they have forgotten that within their own boundaries people are embracing Islam in numbers changing their heart becoming Muslims, Islam is for the heart and they are for the body, we are for the hereafter and they are for this transitory world and she claimed to be a Christian nation.

Don't think that they are Muslims because in Islam we have our bad nut

## OUR LOVE TO THE HOLY PROPHET JESUS (PEACE BE UNTO HIM)

Our love and respect for the holy prophet Jesus (pbuh) is not by the voice of Biblical evidences and it's proclamation or archeological evidences that had made us to bond with him as a Messiah, a redeemer or one of the noblest prophet of God, born by the virgin Mary but through the instrumentality of the holy Prophet Mohammed ( pbuh) with the last and the final testament (*the everlasting gospel [Quran] revelation14:6*) which is the standing miracle of the holy prophet Muhammad to fulfill his promise that God made with his friend Abraham (pbuh),I will bless the world through you (*Ishmael , Isaac and six male children of our mother keturah*).

“{18:18} Seeing that Abraham shall surely become a great and mighty nation, and all the nations of the earth shall be blessed in him?”

### Genesis 18:18

We Muslim are not the enemies to Jesus (pbuh) the holy prophet of God as many of the Christians thought, we Muslims are the very people which because of our love and our attachment to him making it very possible to name him after our sons (Isa [Jesus]), Can any man name his son after his enemy? Impossible, the problem is ignorance, a well standardized enemy of man, making it unclear for many of us to reason logically, making it vague for man to draw his inferences from the level of ignorance to the level of consciousness that the veil of oblivion can be wiped out from us to be able to see more clearly.

I have met many Christians who have never read the Holy Quran and other articles of Islam yet they **HATE THE RELIGION**. We should be very careful, for our master Jesus Christ (pbuh) said Mathew 7:1-2

This reminds me of three young Muslims boys I met, who were hurriedly chasing a swine (pig) which was passing by with the intention to harm or kill it, upon seeing them in the act, I retorted, has it eating some things that belong to you? They answered no, is it disturbing the neighborhood? Unhappily they still added no. Do you know the owner? In answering this question, one of them reacted proudly, why all these questions, so I told them my reasons for these questions for I am the owner of the pig. I warned them that, if anything silly goes leaving my animal death, I will not deal it softly with them at all.

In hearing this, they were astonished, I knew they were not wrong but the approach was stetched and insignificant with some chains of reasons; genuinely, the animal was not disturbing the neighborhood. Though Allah has forbidden us the eating of the pig but we have no right to harm it without any fruitful reason or because Allah has forbidden us to eat the fresh, the animals has done nothing wrong to walk peaceful on the earth and the question of why Allah created it is like asking Allah (God) why He has created the tree of knowledge to test man in the garden of Eden. It is up to you to obey or disobey, this is the law of do and don't and this is a HUGE test.

A well noted points in this story is that, even if you don't agree with your friend, you need not to harm him or develop some hatred for him but the best advice I can give is this, you can't CRITICIS a man if you have never walk a MILES with him .Oh Muslims read beyond the Quran to broadened your horizon and try as much as you can to bridge up with them (Christians, Jews and any human being) on a common good for a man may love a pet unreasonably but the love of a brother is significant for man possess three unique features ( reasoning, love and repentance) but animal is insufficient.

Let see some of the account of the holy prophet Jesus (pbuh) in the light of the noble Quran. Quran 3:42-49

(1) Unfortunately, we Muslims has been unfriendly accused and hotly lambasted in various dynamism in brandishing their fingers on our faces with passion and zealous questions;

- 1 Do you believe in Jesus...?
- 2 Do you know he is God.....?
- 3 Do you know he is the only son of God....?
- 4 Do you believe in his ransom - thus he die to save us all....?
- 5 Do you know on his second coming, he will judge all men including Mohammed....?
- 6 Do you know he is greater than Mohammed....?
- 7 Do you know that he was born without sin....?
- 8 Do you know that he was the only person who had many and greatest miracles in the Holy Bible...?

seat of Moses and the prophet and they were to follow every teachings and every instructions being taught by them. Subsequently those who follow the disciples of all the prophets today without false hopes and desires will reach their salvation.

### **THE BAPTISM OF JOHN THE BAPTIST**

After the demised of the prophet John when some of his Apostles and the disciples were still there with the disciple Paul, he strongly had to convinced John's apostles to Re-baptized again and this was contrary to teaching of Jesus because Jesus in his time did Baptized his own Apostles and disciples and whether Jesus or the Apostles, it was still under the order and instructions of their master Jesus Christ therefore he did the Baptism (John 3:22-26 ) so how come the Baptism of the Holy ghost became the pivot of faith as preached by Paul.

My question to doctors of Christianity is that what is the sole differences between the baptism of John and Jesus Christ that happened at that time in Aenon and salim respectively all in the same region of Judea? If the gospel writers or the historians narrated that those who were baptized by John himself were for only repentance as Paul said? (Act 19:1-4). According to Jesus the baptizing of John was fully accepted by God therefore those who were baptized by john was enough to take those people to the kingdom of God in other word those who had their baptizing through John and were not deviated like Judas but was to follow the course shall attain salvation but Paul does not agreed with Jesus but as the master is always greater than the servant Paul therefore I will follow my master Jesus. In (Mathew 23:1-3) even an ordinary men were instructed to be followed to a degree that following them will lead the follower to salvation, how much more the prophet John prophesized by the prophets whom were sent by God himself and you think he cannot lead people to salvation. Read Luke 11:1 going and you will notice that the lord's prayer of Jesus was a result of John when he had taught his own apostles how to pray that one of the apostles of Jesus reported that to Jesus thus "lord, teach us to pray just as john taught his disciples".

The lords pray came as result of the prophet john when he was teaching

did not exist today.

*“{3:25} Then there arose a question between [some] of John’s disciples and the Jews about purifying. {3:26} And they came unto John, and said unto him, Rabbi, he that was with thee beyond Jordan, to whom thou barest witness, behold, the same baptizeth, and all [men] come to him. {3:27} John answered and said, A man can receive nothing, except it be given him from heaven. {3:28} Ye yourselves bear me witness, that I said, I am not the Christ, but that I am sent before him. {3:29} He that hath the bride is the bridegroom: but the friend of the bridegroom, which standeth and heareth him, rejoiceth greatly because of the bridegroom’s voice: this my joy therefore is fulfilled. John 3:25-29”*

#### **THE APOSTLES OF JOHN THE BAPTIST (PBUH)**

Another noble claim the Bible had made to support my argument can be best explain as such, when John the Baptist passed away, I am of the view that ,the Apostles of John would have stop all their ministration and **JOINED** the Apostles of Jesus (pbuh) for all becoming one apostles but they did not followed him and as they have been taught by their master John, they also carried on his vision until the mission of John ended peaceful for about hundred years couples with an argument between john followers and Jesus followers claiming that your master John only prepared the way for our master Jesus therefore to go on making noise saying we are the apostles and disciples of John is nothing but come and follow our master Jesus. If you have analyzed the bible carefully, Jesus did not tell the disciple of John to follow him when they came and asked him why we being the followers of john and the Pharisees fast but your apostles and disciples do not fast? Jesus did not tell them to join him after they have received the most convincing answers from Jesus but them (john’s and Jesus’s apostles) did followed the two difference personalities (Jesus and John) but one goal leading to one destiny. If you dissects the verses above you will noticed how Jesus was asking the bystanders and his apostles to listen to the Pharisees because they were sitting on the

9 Do you know that he is the only person who was able to conquer death.....?

10 Do you know he is at the right side of God in the heavens....?

Many Christians based on these sites to denotes that **no Jesus no life** but the Holy Quran answers them thus;

“And they say, “none shall enter paradise unless he be a Jew or a Christian,” these are their own desires. Say (O Mohammed) “ to the Jews and Christians, produce your proof if you are truthful”.

**Quran 2:11.**

To complete their claim, they complement it by quoting this verse from the Bible,

“Jesus said to him “*I am the way, the truth and the life no one comes to the Father except through me*”.

**John 14:6**

(1) Throughout my dawah (calling people towards God) campaign tours, if this does not come first or within the first five questions then by the close of the program most especially the dens Christian populated areas someone undoubtedly will come and pose this question because to them salvation comes only through Jesus but let us ask the Bible.

**I AM THE WAY**

With all respect and with all grand consideration I AM THE WAY is not the same as “I AM THE (ONLY) WAY” did Jesus (pbuh) says he was the (ONLY WAY)? People want to instill their own words and meanings in the Bible but we should not do that. I AM THE WAY in this context indicate an open or general statement to which everybody chosen by God can be involved and that was the very reason why prophets and messengers of God came before and after Jesus to proclaimed the world of Allah in its true light and meanings to their own environ and to their own people.

*“{9:37} Then saith he unto his disciples, The harvest truly [is] plenteous, but the labourers [are] few; {9:38} Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest. “ Mathew 9:37-38.*

If you critically examine the above verse ,Christ Jesus knowing well that he cannot do the work all alone therefore asked God to helped them in sending more workers to HIS field ([the world] Mathew 21 :33-40) because the laborers (the prophets, and the other Saints who were there in his time ) were few(below average).As regard to the verse in the bracket above, many prophets came before his advent to the Jews to their respective abilities among the twelve(12) nations or tribes to which their centrality was to preached about the kingdom of God (mark 12:28),They all preached the same message as told by the holy prophet Jesus (pbuh). He also prophesied about other prophets and Saints to come before him as indicated in the verse below. If he explicitly had prophesied about the coming of other prophets or Messengers, then without any vibrant crusaders, he only meant to say that, he was not the only way to salvation as quoted below.

*“ {23:34} Wherefore, behold, I send unto you prophets, and wise men, and scribes: and [some] of them ye shall kill and crucify; and [some] of them shall ye scourge in your synagogues, and persecute [them] from city to city:” Mathew 23:34.*

Undoubtedly, if there were prophets and Saints to come before Jesus (pbuh), then it is our right to find out more about the true prophets and the false prophets as

well as the last or seal of the prophets Mohammed whom his credentials had been prophesied and described in the Bible and how THE KINGDOM TOUCH BEARERS will fall in the hands of the Arabs (Mathew

among them were some who were blind(Mathew 23:24-26).

**TWO PROPHETS WORKING AT THE SAME TIME.**

When the prophet John the Baptist (Pbuh) came and started his ministry, apart from the MULTITUDES that were following him, he also had his own Apostles that were following him. The important point to note is that, The coming of John (pbuh) was not ONLY for the preparation of the coming of Jesus (pbuh) but to preach about the kingdom of God, to baptized those who accepted his teachings but in the normal or rational hierarchical spiritual assignment, one is ordained officially and publicly in the form of prophecies so that the people will not doubt the coming of next person or a prophet and that was exactly what happened between John the Baptist and Jesus (pbut) and even all the prophet did same.

*“{3:22} After these things came Jesus and his disciples into the land of Judaea; and there he tarried with them, and baptized.*

*{3:23} And John also was baptizing in Aenon near to Salim, because there was much water there: and they came, and were baptized. {3:24} For John was not yet cast into prison - John 3:22-24”*

It is inescapable evidence that, John(pbuh) and his apostles didn't follow Jesus (pbuh ) but two(2)prophets of God working at the same time but as you know people and MIRACLES, many people followed Jesus who led him to became victorious in the winning of the majority. According to one source, the intervals between John when he was not killed and Jesus (pbut) was only two year and the killing of John the Baptist was the ending point of his ministry that caterpoted or elevated Jesus to the next level.

*“{3:30} He must increase, but I [must] decrease. -John 3:30”*

John (pbuh) was aware that he was going out of the SCENE and the jealousy of the apostles was not that of John because that was how it was divinely ordained by God that the coming of Jesus(pbuh) will closed the ministration or the chapter of John(pbuh). It is logic that if you are death you can't work anymore and a lot of the prophet's apostles and disciples

the information after Jesus (pbuh) had left for sixty to eighty (60-80) years. To match with common sense and to rationalize it common approach, you can notice from the gospels that, the genealogical report of Jesus (pbuh) from (Mathew 1:6-16 and Luke 3:23-31) were different as Mathew reported 26 grandfathers, Luke also reported 41. The two writers included Joseph the supposed father which was the only common person between the two reporters but mark and John were silent. It means they did not have that information and if so why did they refused to give their reports or account to that effect, they were not there but hearsay or collected the information some from the apostles, the disciples and others after Jesus had left for many years. The question is if Jesus really want to leave behind a document he would have instructed the apostle to write them down and verified it before he left.

### ALIVE IN THEIR WORDS

Luke 16:28-31

If you are to look at the story of the rich man and the poor man Lazarus, as narrated by Jesus(pbuh) himself, you will notice that, Jesus(pbuh) mentioned the name of MOSES and the PROPHETS. I want my readers to understand that, this is not a PARABLE; this was real life situation that happened before Jesus (pbuh) or he would have informed the apostles that HEAR THIS PARABLE OR ANOTHER PARABLE

In the conclusion of the story, I was expecting him to have SAID *“I am now the only way and the only truth in order to support the rest of his disciples who are alive today but that is not the point.*

*“ Mathew 23:1-3”*

As you ponder over the verses above in Mathew, you can see that he was not instructing only the **MULTITUDES** to follow and to listen to the SCRIBES and the **PHARISEES** but even his own (**THE 12 APOSTLES**) to give their ears to such scholars. They sit in the seat of Moses because they were invested in that body of knowledge in a clarity and explanation of the **TORAH of MOSES** (pbuh) and the **PROPHETS** (pbut).

He did not even instruct the scribes and the Pharisees to leave the work and to all follow him (Jesus) but wanting others to follow their instructions and commands though they were an ordinary people and

21:43 and Galatians 4:21-25) and he (Mohammed) becoming a mercy to the **WHOLE WORLD** “Quran 33:40”

### THE TRUTH

My fellow brothers and sisters in Christianity, who want to explain the Bible should bear in mind that there are a lot of things Christians says in order to make Christianity popular but rather demeaning my master Jesus to others to insult him. Example my master Jesus again didn't say **HE IS THE (ONLY) TRUTH** else all the prophets and messengers right from Adam (pbuh) to Hahyah (John) the Baptist and even those who came after Jesus would have been deemed unreliable and false prophets. It is also means that no one has ever spoken the truth about God after and before him. Why is it that doctors of the bible and Christendom are canvassing strongly about God today? Have they forgetting that Jesus was the only person who had ever spoken the truth about God on the earth. The Jews are untruthful, the Muslims are lying as well as other religions and none of them has ever spoken the truth about God. Can any man challenge my opinion as untruth while Jesus himself said

*{5:17} Think not that I am come to destroy the law, or the*

*prophets: I am not come to destroy, but to fulfil.”.Matthew 5:17 “*

To buttress my points, he again said

“Mathew 45:5 “.

Dear friend, if Jesus(pbuh) himself had mentioned the above verses, how can he again quoted another verses to contradict himself, I am telling brothers and sisters who are in the ocean of Christianity that, these John's statement below in the new testament are not the words of Jesus John 10:8. If you still insist and strongly agree with this verse for the fact that it is in the Bible then to Jesus all the prophecies in the entire Bible who showcased his coming as a Savior were unreliable and lies and his message the good news were false and cannot be trusted and he was also a deceiver. Can any man challenge me that the messiah is a deceiver and a false one? If you agree to my explanation then with all respect Jesus cannot say that all the saints who came before him were **ALL THIEVES** and **ROBBERS**.

Can you reconsider it again, are these the words of Jesus to call those previous prophets and other Saints as false while they extensively had

spoken about him and his coming. It is like telling your witness that he is a liar and treason, do you believe Jesus will say this?

### **I AM THE LIFE.**

In comparison with this mathematical analogy to which I have cited as example, without giving a critical consideration to the variables that proceeded, you cannot get the result. In simple put,  $2+2=4$ , the double twos i.e.  $(2+2)$  has to be considered and without them you will not get the result which is the (4). Much more the same, I am the way +the truth = and the life.

God told Abraham (pbuh) your descendants shall be unto a foreign land for four hundred years but I shall punished the nation that enslaved them .God in his own wisdom sent the prophet Joseph (pbuh) to prepared the way for the Israelite in their sojourned to Egypt. In that wise Joseph (pbuh) prepared the way to his families and that led to the Israelites to Egypt and through it Moses became a savior for them, on that note, Joseph was as John to prepare the way for the messiah Moses and John to that of Jesus (PBUT) respectively.

Genesis 45:5-8

If you consider the verse above you will noticed that joseph said I was sent ahead by God that you shall be saved in other word joseph was a saviour ,he was a prophet for his own people and the Egyptians .The bible said the king in joseph's time was a believer but the one in Moses time was not which means joseph showed them the way to God and that way was truth, those who followed joseph guidance as at that time they were successful which also means that the prophet joseph was the life for his people and for the Egyptians for he explained the confused dream of the king, and two prisoners he met them in the jail. If my reader is following the explanation you will noticed that all the messengers of God fit the same hole. In the time of the prophet Noah he was the way, the truth and the life therefore those who did not believed him they were drawn and had no earthly and spiritual salvation .In the time of prophet lut (lot) when he was in Sodom and Gomorrah he was as a way for them, the truth, those who followed him were saved but those who refused him were cut off from both earthly and spiritual salvation. Mathew 11:23-24 Moses (pbuh)was also sent to saved them from being in bondage in Egypt, on

Before I go on, let me venture here to explain the difference between apostle and disciple.

According to the Cambridge dictionary.

**Apostle....** Any person who have been chosen by a prophet to be his follower. In order words they are ever ready to follow that prophet which in turns have seen him, walk with him, talk to him, eat with him and etc.

John (6:66-67).

According to the Bible dictionary explanation: It comes from the Greek word "APOSTOLOS" i.e. A delegate, specifically an ambassador of the gospel, officially commissioner of Christ with miraculous power.

Disciple...is any person who follows any belief or movement and in some occasion actively propagated it.

John (6:66)

The Bible dictionary also teaches that, the word disciples come from the Greek word "MATHETES": a learner (a student or pupil). In a nutshell the word disciple is a subset of the word Apostle.

This chapter gives a tool to challenge any idea that the Bible is free from men suggestions and because of our ancestral commitment to Christianity , this always give rise for some to quote Paul to hide their face but let bring Paul to the table of knowledge

2 Timothy 3:16-17.

Historians account: first of all, the word (according to) means (the second party) but according to the bible especially the four gospels and all the letters of Paul were reported by (third party) because the writers heard it(some) from the apostles and the disciples and from Jesus but the question is why according to? It means these people were not an eye witness or part of the twelve (12) handpicked Apostles of Jesus Christ. But gathered the information after Jesus had left for sixty to eighty years (60-80) years, if you read in the four gospels you will find its words emerged from (a quoted verses from the Old Testament, the red letter of Jesus Christ in the red letter bible, the word the apostles, the word the disciples (e.g. Paul) or the historians (e.g. Luke) who was a disciple of Paul. In (Luke 1:1- 4, Mathew 9:9), here a third party was reporting Mathew. (John 19:35, 21:24, 21:25).indicating not the real John, so as Mark and Luke. As a matter of fact all these people were historians who gathered

and the seal of **ALL** prophet was no one but Muhammad mustafa who fulfilled the prophecy of the gentile prophet who was chased from mecca to medina and that was how the bible addressed it as chasing some from city to city. The scribes were those who were in charge or writers of the gentile prophet's messages and among them are the sahabas (apostles) who wrote the Quran and the wise men were those who were gifted to explain the books of the prophets and also to convey their messages to different places and to different people.

### **The most unfortunate situation of our master Jesus Christ**

The Glorious Quran says, we have revealed to you, some fitted information of some of the prophets but others we did not.

Quran 40:78.

Apart from those prophets whose name were not mentioned and nothing were said about them, there were others also whose name were mentioned, some things were said about them but they themselves

**did not leave any written DOCUMENT handed down to their respective apostles and among them includes Adam, Noah, John, Jesus and many more (pbuh).**

Even the four (4) canonical gospels (Mathew, Mark, Luke and John) were been gathered by a historians after Jesus (pbuh) had left for about sixty to eight (60-80) years according to historians. If you are fortunate to have come across the **RED LETTER BIBLE** where the **explicit and implicit** spoken words of Jesus (pbuh) is indicated Red, you will see how **FEW THE REAL GOSPEL OF JESUS WAS.**

### **Percentage categorization of the red messages of Jesus in the (27 books of the New Testament)**

- a. Jesus (peace be unto him) own words within the new testament was (less than a book) in the historians account in the bible therefor we gave him an uncheated amount of.....4%
  - b. Historians account within the (the four [4] canonical gospels plus the book of Act) ...15%
  - c. Apostles (12)..... 8 books .....30%
  - d. Disciples(Paul).....14books.....51%
- 100%

that account Moses was the way, the truth and the life and without him no earthly and spiritual salvation for those Israelite at that time, Jesus (pbuh) was meant to say to the people of his time thus;

I am the way, means (I am teaching you the way to eternal life), the truth(that way to that eternal life is the truth) and the life (anyone who follow the way which is the truth will earn him an eternal life which is equal to an eternal salvation).As one read more in Mathew (19:16-20),you will noticed how Jesus (pbuh) was quoting Moses and taught the rich man how to attain salvation but refused because he had many possessions that clouds his admission to eternal salvation.

### **EXCEPT THROUGH ME**

Many people still want to accept the position of making their statement true by quoting the above phrase, why did Jesus (pbuh) used the phrase "EXCEPT THROUGH ME" if he is not the only way to salvation? Such is man for man only accept truth or defect only when he is at the point of death and as the Quran have said" any time truth comes falsehood perishes for falsehood by nature destined to perish".(Quran 17:81)

According to the Oxford dictionary, the word except means - To specified as being exception or distinct or peculiar. Example among the ten boys in my class are some that are good, better but James is an exception or distinct or best among the ten boys in my class which means the others are good, among them are those who are also better but James is the one who can be rated as distinct, best or an excellent student but don't forget the fact that for one to attain the world best or excellent or honour depends on certain factors such as time bound, distance, degree and individual influence and etc. NB this is the writers own example.

Synonyms are as follows:

- 1.Apart from
- 2.But
- 3.Other than.
4. Save.

If you are to look at the Muslim creed it read "there is none to be worshipped (apart from, but, save, other than) Allah (God) and Mohammed is the slave and servant of Allah.

If you look at the polytheists, they believe in Allah and his exceptional-

ity yet they equal others with Him while they have no right to do so .Allah there is none like him but the pagans worship the idols they have intended for themselves but we Muslims believe that he is one and only, he depend on no one but all depend on him.

*His oneness and uniqueness even goes beyond the word best or exception because his exceptionality cannot be compared to nor able to be described by a mere words and earthly beings e.g. man.*

My master Jesus said he did not know the day and the hour of judgment so how come that you equate him with God(Mathew 24:36) and Jesus a God now standing at the right hands of God again in the heavens interceding for us and how do judge this?. Many Christians are now pushing this agenda strongly that Muhammad Mustafa (pbuh) is a sinner or not free from sin therefore he cannot lead people to salvation, my dear reader if you read (the bible) you will know the shortcoming of the prophets yet they were cleansed and performed an assignment that you and myself cannot do any of them and if he was so or not free from dark spot then don't be surprised for my master Jesus was not an exception. the bible narrated that the prophet lot had sex with his two daughters and I don't know if he asked her children about the man who impregnate them, Noah became naked as a result of him became drunk therefore pronounced a curse upon his son Ham, Moses killed an Egyptian, David killed a man and took his wife, Solomon had three hundred girlfriends (1 king 11 going).In Luke 11:4 it reads **‘And forgive (us[ Jesus and other people] our sins) as we(myself Jesus and others) forgive those who sin against us’**. The Bible tell us to obey our parents, in (Exodus 20:12) but when Mary and Joseph took him to Jerusalem for the pass over festival, the child Jesus intentionally got himself a beautiful lost for three days which left his parent in frustration and distress which in replied when the parent enquired ‘I must do the work of my father or be in his house ’what a good child and a good example, does the work of God prevent a child to respect his parent let alone put them in a distressful state ?( Luke 2:41-49). Again when the mother and his brothers came to him while he was preaching, someone addressed him your family members are here looking for you, he said my mother and brothers are those I am preaching to them about the kingdom news and these are my family and the Bible

who want to worship God have to relies on those prophets for their salvation because he himself had said “Mathew 23:34”

(C). last of all He sent unto them his son: Matthew 21:37 Jesus being the last within the chain of the prophets clearly labeled that Jesus was the last prophet and a messenger among the Jews therefore the coming of other prophets after Jesus within Israel will make no meaning for the Israelite to have prophets again but those messiahs to come after Jesus will come from the other nations (tribes). Christians are saying John was the last prophet but that is a wrong interpretation because the holy prophet Jesus prophesied the coming of other prophets after him. Refer to the verse quoted at point (b) below.

(D).who were the prophets, wise men and the scribes: (Mathew 23:34) this prophecy displays that the prophets to come after Jesus were the prophets from the other nations and among them was Agabus born and also died in Antioch one of the ancient cities in turkey or in Syria and had received several prophecies and predictions. Though many bible scholars were saying he was a Christian prophet in the apostolic age and others were also saying he was one of the early follower of Christianity or one of the seventy disciples described to be the follower of Jesus but that was not so for he was one of the other prophet at Antioch in Syria or turkey propagating the word of God before he met some of the apostles and the disciple of Jesus in order to complete the vision and the mission of God .(Act 11:27-30 ).The others include silas and Judas also barnabbas the father of barsabbas in( Act 15:32).

These two prophets were not Jews but prophets from the other nations who were around the neighborhoods of Israel or if there were to be the prophets among the Israelites then there were those minor prophets existed before Jesus, how do I know because if you read in Mathew (21:37) the bible addressed us that **‘BUT (LAST) OF ALL HE SENT UNTO THEM HIS SON, THEY WILL RESPECT MY SON’**.

It means Jesus was the last prophet or messenger among the Jews .In the above quoted verse regarding the coming of the gentile prophets, the last

### **WHY THE WAS A NEED FOR GENTILES PROPHETS.**

God has his own ways of doing things and even if you rationalized this on human point of view even every human being will do same ;

**(A) KILLING OF GOD'S PROPHETS AND OTHER HOLY MEN—**  
Mathew 21:34-38 and Mathew 23:29-32.

The similitudes of the Israelites was like a mother who have seen her two (sons [Galatians 4:24]) very hungry and has given the maids an order to prepare a food for them on condition that, the small one has to be served first as he more weaker than the senior brother, the shocking news was this, I will not eat the food as said the youngest and after that went to an extend to killed the maid, any good mother will not hesitate to give the food to the senior and also to punish that stubborn child, such is the Israelite the ungrateful child. Allah is wise enough to rejected people whom he had entrusted his assignment but failed to execute them and the same is that of the Israelites who stone, killed, whipped the prophets and other holy men of God, what an ungratefulness, therefore GOD had rejected them because they have rejected his messengers and we should know by common sense that the rejection of the prophets and other holy men of God means God was rejected by his chosen nation Israel. You will wonder how many Jews and Christians today are claiming to be an ancestral heirs to father Abraham, have they forgetting that their forefathers after Abraham were the very same people who meandered the prophet and many men of God?

**(B) While I am in the world, I am the light of the world:** Jesus knew very well that his ministry and his light was ONLY truth when he was alive or living among them and so therefore he discouraged his own Apostles not to send his message to the Samaritans and to gentiles which affirmed that the other prophets and the saints will come and complete the mission of his Father. This statement also tell us that he was not going to be the light after he is gone and that was the very reason why he said "while I am in the world, I am the light of the world" but after that he will not be the light and the religious mantel will be handed down to the other nations such that even the Jews and Christians and the rest of the entire gentiles

said he did not attend to them( Mathew 12:46-50). There was also a man whom Jesus asked him to be his follower and the man said my father has passed away therefore allowed me to joined hands with his burial then come and follow you but Jesus told the man, let the dead bury their own dead. He Jesus meant to say that the man should not go and bury his father because to him the man's father was a sinner and he should be buried by the same sinners (Luke 9:59). Read (Luke 9:60) the same disrespect to parent .In (Mathew 61:21-24) against the same (Mathew 26:37- 44).How can Jesus rebuked peter and told him to get away from him, he also said to peter you are a Satan why do you say God should forbid it that I should not die but went on and prayed that he don't want to die and the bible said he was heard from what he prayed for (Hebrew 5:7). My question is who is the real Satan now? The judgment of comparison is now left for you to judge this. The bible also mention that no man born of woman is perfect so Allah knows their weakness more than what we think but chose them, purified them to lead mankind, so therefore to ask why and criticize God decision in this regard means you are telling God he is very stupid and he don't know what he is doing. You can ask God why do you know that Jesus is without sin but you have stated in your bible that no man is born of a woman is perfect and if he is God how could God was born, breast-fed, ate, urinate and defecated as myself and you do and the bible also addressed him " a man approved of God and" why not God approved of God (Act 2:22). Allah knew them more than you know and think yet he purified them for his assignment and that is the fact. If the catholic says Hail Mary the mother of God then where were the grandparent and the ancestral trend of our mother Mary? Our children will question this and will demand an answer which will be worth believing so don't take them for granted.

### **HOW THE WORD EXCEPT IS USED**

#### **A. Except In The Use Of Time Bound**

Example, during the reign of King David he was the only king in Israel and if you were to asked any of his subjects, who is the king in this community. None arguably, they will tell you King David (Dawud). This means in his time (season), he was the king at that time in Israel but many kings ruled after and before him. Example king Saul was the first king before David and Solomon was also a king after David.

**B. Except in the use of location or distances.**

During the time of King David reign, there were many other kings who were also ruling in other parts of the world. Examples there were kings in Egypt, Babylon and other cities around the province of Israel at that time.

**C. Except in the use of language.**

According to the Bible, the people of the whole world had only one language. Having one vision they made up their minds to build a tower in order to reach the heavens but God confused them by changing their language which made them being scattered throughout the world. Read (Genesis 11). Let analysis this, can God destroy any of these people in some centuries back just because they do not understand Hebrew or Arabic as one language while the top rank Civilization and science in its advancement only stepped in our world yesterday for easily flow of travelling and communication ? No, but God guide them by giving them a message to other Messengers who can understand their own language so that they can also be saved.

Quran 14:4

The Holy prophet Muhammad (pbuh) said Allah sent one hundred and twenty four thousand Messengers and according to Holy Quran he is the seal of the prophets who has been sent to the whole world just because his message contains the messages of his predecessors and to the one who suits his neighborhood and to all men. God also knew that technology will be advanced to facilitate our movement and communication. To this effect, the Glorious Quran says we have send you Muhammad (pbuh) as mercy to the whole world.

Quran 7:158

Apart from Muhammad (pbuh) the previous prophets were sent on a specific time to a specific people and to a specific place and that is the most reason why God didn't see it fit to preserve their messages or their book (Quran 15:9) Jesus Christ (pbuh) was only sent to the Israelite (Matthew 10:5-6)

**D. Except in the use of merits (love and respect)**

. The word except also depends on how much the person or an entity is being perceived on the basis of its quality and how much benefits or ad-

through Samarian and the Samaritans did not receive him because he has been calling them swine and dogs and their affair was not concerned him (Luke 9:51-55) "but Paul said," FROM NOW ON (Act 18:6) after he had been warned by Peter and the other Apostles not to send Jesus message to the gentiles and truly it was Paul refusal that led some of the Apostles and other disciples to broke the commandments of their master Jesus. Was he not the one who said if you love me keep my commandment? The same Paul was now claiming he has been chosen as a prophet for the gentiles but let bring Paul to the table of knowledge.

(A) in (Mathew 10:23 ‘’)But when they persecute you(apostles) in this city(one of the cities in Israel), flee ye unto another for VERILY I say unto you ye shall NOT HAVE GONE over the cities of Israel till the son of man become ‘’Jesus meant to say that,( the Apostles and the disciples) will not be able to finish the work of preaching the good news within the cities of Israel alone in order to convert all the Jews to be his followers or be a Nazarians before the son of man comes back on his second coming.

(B) The wisdom in this was that though he was merely sent to the people of Israel as whole but the lost sheep( the sinners or the outcast, the sick, Jews who were staying in other lands and were idol worshipers, the poor in spirit and the physically poor who have been neglected by the society were his target number one) and as a prophet of God he foresaw that the majority of his own people who were Jews will not accept his message until his second coming and that was the very reason why majority of the Jews did not believe him and even today and the bible said ‘’He came to his own but his own did not received him’’ (John 1:11) and thirdly

(C) he did not leave any single note even to the apostles and the disciples as a guide, the gospels were written 60-80 years before the coming of Jesus which gave rise for many people to have wrote so many gospels all attributed to Christ and because of that many of the gospels were rejected therefore Jesus realized that the moment they try sending the message to the gentiles they will create problems rather than doing good therefore Jesus warned as he told them send not my message to the gentiles not even the Samaritans enter ye not(Mathew 10:5-6) moreover ( one of the apostles called peter made an enquiry to their share in the Kingdome of God and their sacrifice in neglecting the world and follow him and Jesus answered them thus Mathew 19:28. This verse video to us that Jesus was only sent to the children of Israel and the twelve(12) apostles shall rule the twelve(12)tribes or nation of Israel which disassociate gentiles from that circle completely

(D) that was so because he had already told them go ye not the way of the gentiles and the Samaritans and when the Samaritans realized Jesus was racist there was one time when he was going to Jerusalem but passes

vantage one derived from that personage or the entity.

Example I love and respect music and my prayers is that, If I am to grace with the abode in paradise my Allah entertain me with music ,generally speaking I love and respect music more than football because that where my joy and happiness is derived so much so that even if my country is to lost during the African cup or world cup or even at the final stages it doesn't affect me so much even though I love my country but to others is different, some will not eat after their favorite teams has lost their matches to the other teams and others go into shock, some even die, Oh Allah have mercy on our souls, shift our hearts, our minds, our feelings, and all our endeavors towards you instead of the world (dunnia).

Much more the same, a Jewish love and respect Moses(pbuh) more than the other prophets even though they believe in the other prophets, Christian also love and respect Isa(Jesus[pbuh]) more than the other prophets even though they believe in other prophets too, we Muslims also love and respect the prophet Muhammad(pbuh). The love of the prophets has been emphasized in the Quran and even to warn us not to make any distinction among them (Quran 2:136).The question now goes that why is our love and our attachment to these personalities so different and this is based on where one is born and raised and this is indoctrination or how we have been programmed by our leaders of difference faiths. Even if we are to fight over this, can any Jewish, Christian and Muslims tell me where God had expressed that, He loves this of his prophets than the other? Nowhere and In terms of sonship, God have so many sons before and after Jesus.

According to (Jeremiah 31:9) Ephraim was a first born son to God and in (2 Samuel 7:13-14) David was a first born child. Adam was also called son of God (Luke 3:38), ordinary people have been addressed as God's children (Deuteronomy 14:1). If some were first born sons according to the Bible, **THEN WHO IS NOW THE REAL FIRSTBORN SON?** And on what condition did Jesus became the **ONLY (BEGOTTEN) SON OF GOD.?** Jesus said when you are playing say’’ our father’’(Mathew 6:5) and this reads that God is for all of us and no body owns God in his pocket.

The word son in the language of the Jews implies the **one God loves or pleased with** and **God only love them because they obey his will.**

To do the exact opposite makes one the father of the Devil.”

John 8:42

Father also means a sustainer. Adam and his son Seth were also sons of God, Adam do not have any biological father but he has been addressed in the Bible as God son metaphorically indicating a sustainer. Seth was son of Adam but bible addressed him as a son of God indicating a sustainer. I challenge any human being to point out any verses both in the Bible and the Quran where God have said I love Moses (pbuh) more than this or these person (s), I love Jesus (pbuh) more than this or these person(s), I love Mohammed(pbuh) more than this or these person(s). God love his prophets but nowhere has He expressed his UPMOST or UTMOST except sinners. Though He has raised many people in this world but it does not mean he love them just because of their sin and example was Qarun or korah that God enriched him so much so that even strong forty men were not being able to carried the keys to his treasury but he was perished in the earthquake with all the wealth he amassed.

#### **E. Except in the use of one's ability (capability)**

our individual gifts always leads us to be a different individuals crowning by one's ability or endowment to fulfill his social responsibilities. As we say variety spices the food so the gifts of the prophets also varies to fulfill the will of God. Our choices and interest varies, our means and our ways also varies and this have made the world a better PLACE for us all. Though one's ability can enriches him an EXCEPTION but we should not boast and demean others because of our positions and our affluences for these status is also a test and anyone who does that will be punished by Allah.

‘ Quran 2: 286”

“ Quran 35 :18”

It means some are gifted to extend that it always surprising and many a time if you want to copy them you will either have a problem of copying them or cannot be exactly as they are but despite this, the Quran said thus;

“the most weightiest personality in the sight of Allah(God)is the God fearing which narrate to us that we should not boast of those gifts he has given us, what matters is tawquah (the fear of God).”(Quran a 49:13).

*while is the light with you. Walk while ye have the light, lest darkness come upon you: for he that walketh in darkness knoweth not whither he goeth. {12:36} While ye have light, believe in the light, that ye may be the children of light. These things spake Jesus, and departed, and did hide himself from them..*

#### **WHY HIS MESSAGE WAS TEMPORAL AND TO ONLY JEWS**

1.”The light (Jesus) will be among you a little longer.....means (Temporary): It denotes that Jesus Christ being the light is not going to stay with them permanently but a while i.e. (3years).

2.”Continue on your way while you have the light (Jesus).....means (Temporary): this means Jesus was telling them to use the opportunity (of him staying with them for that 3 years) effectively before He will be no more, and in our local expression we say, hit the iron while it is hot.

3. While you have it (light) i.e. Jesus.....means (Temporary): means it is your turn now don't misuse it.

4. While I am in the world, I am the light of the world.....means (Temporary): meaning He was the light or saviour as long as He was living among the Jews, but after his departure, other messengers or prophets will take up the mantle to guide the other nations; confirms the earliest prophets, and these will come from the other nations, and the vision and mission of God will be handed down to that person or that prophet, but until then, the Apostles will carry his vision and mission before the other messenger(s) takes over .(Matthew 23:34).

Look at this phrase, “**SO THAT YOU WILL BE THE PEOPLE OF THE LIGHT**”. This means it is your apostles, and the disciples having been equipped and empowered by the main sources(Jesus)will become the **LIGHTS** then will successfully carry your mission to enlighten others **BUT if they FAIL YOU, YOUR VISSION and MISSION END THERE**. They have failed their master Jesus on the following grounds;

earth he can only assume the shape of a man to be able to communicate to us on that lower level or not to be frightened by them when there are in their angelical reign yet he is still an angel. There was no way we can be like them for they have wings, they have no free will as we have, they do not die. We are apart and we can never be the same. The holy prophet Muhammad is only one among the beautiful creation of Allah, the holy prophet Moses is only one among the beautiful creation of Allah, the holy prophet Jesus and the others are on the same wavelength. The cockroach in my kitchen is one and only among the creation of Allah therefore it is uniquely unique than those cockroaches that are in the white house. Though they may have similarities as cockroaches but there are specially made among the creation of Allah. The monkey in Africa is different from the monkey in China even though they might have their similarities yet each and every one is fixed, final and definite.

#### **In every rule there is exception.**

It is true that all the prophets God sent to the Israelites were only meant to redeem the people of Israel so much so that they called the gentiles as dogs, swine, avoiding intermarriages with them due to their pagan practices, despite this there were many Jews both men and women who fell in love with the gentiles to an extent that they married them and some accepted the Jewish religion and others who also follow their own religion and even if any gentile willingly wants to abandon the worshiping of idols and want to join the Jewish religion will not be denied by God yet he has plans to save them through the other prophets too.

#### **JESUS WORKED WITHIN A SPECIFIC TIME BOUND**

John 9:4-5

It is true that the day is the (light or his presence) and the night is also the (darkness or his absence). Jesus was right as he said "John 11:9-10" If one sharpens his reasoning in bridging my understanding to his way of thinking, he will admit that being the LIGHT WHILE ALIVE means in his absence HE WAS NOT GOING TO BE THE LIGHT. His ministry took effect while ALIVE and to the time HE PASSED AWAY.

To untie the knot into its depth, let read the same record of Jesus (pbuh) in John 12:35-36" {12:35} Then Jesus said unto them, Yet a little

Think about other talent God has given to others including many scientific inventions which have made life easier and smote and to whom the prophets were not given and even if there were given it was not like this of our world today. All these have contributed the world as new paradise for all of us and this resurrection have made us to believe that all human beings live at the expense of others.

#### **THE BATTLE OF GREATNESS**

Another point Christians always raise is the fact that he is the **GREATEST** but before God and man can anyone point a single verse in the Bible and in the Quran where God had said Jesus is the greatest among all the prophets. We should know that God assigns his duties to any of his messengers based on their ability and to the people to whom the messages are to be reached. God gave signs to Moses (**pbuh**) because to God, Pharaoh and his people can only be convinced or understood by those miracles, the people of Jesus (**pbuh**) generation were inclined in terms of Medicine and boast of their ability but God sent Jesus (**pbuh**) with those miracles that the people of his time can be humbled or convinced by it as people were worshiping those magicians and doctors of his age. The Holy prophet Muhammad too in his time were also inclined in poetry, eloquence and science which in turn worship those people but God sent to them his servant Mohammed to demean their ability with the glorious Quran which has poetic and scientific dimensions to meet every aspiration but a revelation, it is in the light of this that all the prophets of God can be addressed as **MESSIAHS** which implies the one who has been chosen, and has been given specific tasks. Adam, Noah, Abraham, Moses, David, Jesus and Mohammed (**pbuh**) all these prophets were given specific tasks which corresponds to each and his ability being endowed to them by God. In religion we don't use one ability to judge one greatness. In fact we don't worship greatness and heroes but God. *All the miracles perform by God through Jesus was performed before his advent and it all depend on how, who, when and where God want to send his message to.*

It is only God who is the **GREATEST** as attested by the scriptures. His **GREATNESS** cannot be argued by any mortal being and as said by Jesus **THE FATHER is GREATER THAN ALL**. (John 10: 29) Though there were great men in history but each did operate according to his gift giv-

ing to them by God.

To base on greatness is nothing but to fulfill his command and obligations in truth matters. We should not be like the disciples of Jesus who fought among themselves about who was the greatest among them ( Mark 9:34) in solving their dispute, the holy prophet Jesus (pbuh) answered them in (Mathew 23:134) the greatest among you is the one who serves others. All the prophets of God including Jesus did serve others therefore all of them were great but God is all greatest.

God said in the Holy Quran that, he had raised some of prophets more than the others. We should be mindful of the fact that many prophets came and did not perform any single miracle neither their names mentioned nor with a written document (scriptures) handed down to their own people yet they came with the truth, can we deny them on the basis that they did not performed any single miracles nor leaves behind them any document?. The universality of the prophets was that they all came from one sources and that is Allah and their messages was truth.

Quran 2:253

Muslim should be very careful and not to follow the people of the book (Jews and the Christians) on this frivolity by creating set or distinction of (***GREATEST and I DON'T BELIEVE IN THIS AND THAT PROPHECY***) to incur sin to themselves.

“Quran 23:55.”

To strongly argue their points out, they always quote Paul and Timothy letter to the Philippines in the same (Philippines 2:9-10).I want to ask Christians, I agree that he has been raised but who raised him and in the Mentioning of his name do Hindus, Jews, Muslims, Shinto and atheist bow down for him, no and if is true then it is to those who are forcefully equating him as God are those that think so .we should know that he spoke extensively about false prophets who will deceived many people with miracles therefore miracle is a test to know whether that person is from God or not. We revered him and believe in him as prophet, messenger and a saviour just like the other prophets but we don't cast demons in the name of Jesus.

Quran 17:55.

The statement of the holy Quran that stated that Allah has raised some of the prophets than the others implies that some were given a certain gifts

II, luke 19:28-40) made us to believe that when Jesus was entering into Jerusalem he told one of his apostles to untie the donkey for him and if anybody question him he should tell him the master Jesus need it but let see another account below, how many animal did Jesus sat on when he was entering into Jerusalem? (Mathew 21:1-7) reported that Jesus sat on two donkeys (the mother donkey and the young donkey born by same mother donkey). can I accepted these two opposition statement just because it is in the holy bible? How can God create this confusion to his creation for one narration says he sat on the mother donkey and the other said he sat on the two donkey i.e. the mother and the young donkey and you think me to believe these two opposition verses because they are in your holy bible, if our parents followed blindly without interrogating the scriptures we do so and if they will not follow us our children will follow us to change the coming generation. Let analyze another example, the war or the action films that virtually Americans are the super heroes, do you believe the toy men that are being shot, slay and died in numbers is real as you see them on your television or the media but simply believe the edited Muslim who slay people in the name of Allah hu alkbal (God is the greatest). We can deduce from the above analogies that sometime you can see something to be true or real but in reality it is false and vice versa and even if some is true then know that Muslims are not angels therefore we have bad sheep among us but it doesn't mean every negative things you see and hear about Islam is always the truth or that is Islam but try to find out the cause of the wars we hear in most of the places where Islam carries the majority. Find out if really boko haram were Muslims why should the same Muslims abducted 276 Muslim girls from the town of chibok in Nageria on 14 April 2014 and many of them have been impregnated by same people who claimed to be Muslims and some of them have never been found until today. Coming back to the center of discussion my Christian friend argued and alleged that Jesus was fixed and final and no one is like him but he fail to understand that among the creation of God I am uniquely unique among them, I am only one and no one is (can be) like me and the same is you the reader, there can be your likeness or twice next but both can never be the same, Jesus cannot be like you neither can you also be like him we are different personalities of different assignments. The Scriptures says that when an angel is sent on a mission to the

Jews from the other nations were the very people who came during the day of Pentecost( Act 2:8-11), Though they were having a different cultures and spoke different languages but were Jews both father and mother and sometime either father or mother in origin and all these transpired by dint of intermarriages, trading among the other nations and many wars that always terrorizing Israel therefore made it by force for the coward and innocent dwelt among the villages and other towns of Israel fled to other places for security reasons. They also went into captivity or slavery in many years, four hundred years and their slavery on other land were not once but on several occasions. This gave rise to fact that even the man Cornelius would not be an exception.( Act 10:30).

### **The word (THE) as a definite article**

The word (the) as a definite article is still championed to tie on him (Jesus) to explain the dogma that nobody is (like unto him) but before this ultimate debate can be bust and split to this extreme, let see some of the synonyms of the word (the) as a definite article and these includes the following: Sure, certain, positive,( fixed),( final), confident, convinced. one day I was discussing this very topic to a friend who happened to be a Christian to see the synonyms or words that are closer to the definite article( the)and to him all these words fit Jesus especially the word( fixed and final) which means no body is like him. I remember in the mood of uneasiness he said (my Jesus is unique, unmatched and your Muhammad cannot in any way be compared unto him). As I said earlier on, truth and feelings are not the same, you can have a strong felling for something yet it could be deadly and the same as religion for you can strongly believe in something yet it is wrong. Example the bible when mentioning the age of Jesus (pbuh) addressed it thus Luke 3:23 .How can God knowing his son very well and for God mentioning the (AGE) of his only begotten and God addressed it (about) which means God was sure and the word (about) is either more than the age or less than the age and this was another indication that wake us to believe that the New Testament was not written by Jesus himself but was written by a mere human beings and had nothing to do with inspiration. Another dogmatic game that the New Testament of Christianity want me to pray but I saw it to be deadly was this, the new and the advanced testament in (mark 11:1-

that the others were not given, despite this differential gifts endowed with them by Allah, the Holy Quran addressed us that all the prophets spoke one message thus:

Believe in Allah (God).

Obeys his will (fulfills his commands and shun his prohibitions).

The world is a testing place for us all.

Therefore warning them of hell fire and giving them an assurance of the paradise. (Quran 16:37)

The holy prophet Jesus also emphasized that all the messengers and the prophets also spoke the same message (Matthew 22:34-40).

### **Jesus (pbuh) was sent to a specific people**

Jesus was only sent to a specific people at a specific time. As one read the Holy Bible, Jesus plainly told his disciples not to enter in the cities of the gentiles and the Samaritans and according to the Bible Jesus (pbuh) never converted any non-Jew

. “Matthew 10 :5-6,” Mathew 15:22 - 26. Quran 3:49

Imagine a man who has come to the whole world to save it(world) now telling his disciples not to go into the way of the gentiles and the Samaritans. What about those gentiles and the Samaritans who died during his three years on the earth? He even go beyond advised his disciples “Give not that is Holy unto the dogs”(meaning the non-Jew are dogs) “neither cast ye(you) your pearl before swine (meaning the non-Jews also swine) Mathew 7:6

My advice to Muslims is that, we should study the Bible, the Quran very well because to reason out with them requires knowledge and it will shock you to know that, they are using this(JOHN 14:6) to convince some Muslims to become confused just because of our ignorance of not reading the Bible, the Quran and other information of our religion but we read volumes of books in school even within a semester. Even those who cannot read see how serious and how they are wasting time looking for the dunniya (the world), we fear hunger and poverty than the hereafter. Don't worry if you don't call them they will call you.

My humble question is can God be SENT to a specific people? Then who SENT him?

Can most Christians God **INSULTED** people just because they are not Jews? .what wrong did the Canaanite woman do to deserved this innocent insult while he himself said. Matthew 11:28.

### JESUS TO A SPECIFIC PEOPLES EMPHESISED.

Jesus was right because, he was only sent to the **LOST SHEEP** in the house of Israel and even to the Israelite themselves not **ALL BUT ONLY THE LOST SHEEP** were those he was sent to.

1. To the gentiles .....No Jesus
2. To the Samaritans.....No Jesus
3. To the righteous among the Jews ... .....No Jesus
4. To the **LOST SHEEP** (the sinners and the outcast) among the Jews.....

yes Jesus came for them.

The only people Jesus was sent to were the **SINNERS** or the **OUTCAST** in group (4), they were the **LOST SHEEP** because those were the Jews who were **SICK, UNCLEAN** .Let analysis these, Jesus said in( John 13:8-10 )to Peter that, those who have bath and are completely clean do not have to wash themselves again. My attention is not about the spiritual bath of the feet as taught by Jesus to his disciples but with logic and common sense, you will not expect to see a man who after hard days works and has wash dawn very well if not by any necessity still would want to bath or wash again. Much more the same, Jesus said again, people who are well do not need a doctor, can you give HIV drugs for someone who is not suffering from that condition ?. No wonder Jesus said I didn't come for the **RIGHTEOUS** but the **SINNERS**. It means Jesus came for the sinners only among the Jews and these were the lost sheep among the (12) nations who were in the house of Israel.

Matthew 9:9-13.

The question is who made those people righteous? A noticeable case in this point is that , the same prophets and the other Saints who came before Jesus made them righteous and not Jesus (pbuh) therefore how can Jesus be the only way? If you still denied that there were no perfect or righteous man in Jesus time then that your case. The bible says that God chose the Israelites as his nation and as a first born son and if there were no any righteous man among the Jews before the coming of Jesus then that is your case and this is very serious.

it doesn't makes sense after Jesus had insulted the gentiles and the Canaanite woman calling them **DOGS** and **SWINE** .Then said in( Mathew 28:19")Go therefore and make disciples of all **NATIONS**. Many people think that they can base their faith on **FEELINGS AND INDOCTRINATION** but feeling and church doctrines doesn't work as far as **TRUTH** is concerned. Many Christians think that the nation here means the whole world but that is not the case, the Israelite were divided into twelve(12) tribes that developed into twelve (12) nation based on their tribal linkage from the prophet Jacob and if you check the word nation from the encyclopedia pretannical volume.... The word nation means **TRIBE**, therefore Jesus wanted to mean "Go therefore and make disciples of the **TWELVE TRIBES** of Israel (Jacob) and that is the twelve nations, and to the one from (Act chapter 1:8) also have its own explanation therefore the Mentioning of Samaritans does not mean the real Samaritans but those Jews who were living among the Samaritans. The outmost part of the Earth also means, those Jews living beyond the borders of the Samaritans and that was why Jesus said **I have another sheep also who are not in this pen**. compare these word to this Mathew 15; 24 You can check from the context, what actually do the Canaanite (Phoenician) woman did to deserve this insult; it is not right to take the children (the Israelite) food to the (**little**) **DOGS**. Imagine how the Canaanite woman had tried all her possible means to get her daughter well and having lost all hope and all was to hear from a man who had come not to judge the word but to save the world (John 3:17) also a God who is for us all now insulted his creation calling them little **DOGS** (the Canaanite woman and her daughter). (Mathew 15:22-28).

If you will agree with me, then without any argument Jesus was talking about the **WORLD OF (THE JEWS** and not the **WHOLE WORLD**. Despite the fact that people hailed from other nation to Israel during the day of Pentecost does not mean they are different people but they were Israelites who dwelt among the other nation as a result wars, trade and intermarriages e.g. (Act 9:29, Genesis 28:6-8, Genesis 26:34) .According to history the Samaritans were half Jews half gentiles, their father was a Jew but their mother was a gentile and Jesus didn't come for them, among them there were full Jews (both parent were Jews)and others full
